

Application due to main office by May 23, 2025 for early registration. Applications may be accepted after May 23, if spots are remaining.

SCIENCE ACADEMY 2025-2026

This application is for **Grade 8 and 9 students** interested in admission into the **St. Nicholas Science Academy 2025-2026**.

There are **23 spots** are available in the Science Academy.

Science Academy will be held in Semester One only, from Sep.11, 2025 to Jan.29, 2026.

There is a **\$200 fee** that includes all bus transportation, field trip entrance fees, program fees, presenter fees, and activity materials for all Thursday activities, and one full-day field trip in September.

Once accepted into the Academy, a **\$50.00 deposit will be required by June 6, 2025** to retain your spot. Remaining fee can be paid in June or September 2025.

Science Academy will run **every Thursday morning**, from 8:17-11:48am, during Semester One only. A few times, we may be returning late, up to 12:00pm depending on the location of the field trip. A schedule with dates and times will be given in September.

Return this application form to the main office.

- Preference will be given to students who express a great interest in Science, who have a minimum 60% average in Science, and who show good attendance and work completion.
- All successful applicants will be notified by June 6, 2025. There will be a waitlist of students if the Academy is full.
